7. Upon the discontinuance of service, as herein provided for, the Company shall promptly refund to the customer the pro-rata amount of every advance payment for any service after said discontinuance, said refund to be based upon the relation of the period after the discontinuance of service to the entire period for which said advance payment was made, after deducting the proper charge for any water consumed.
8. **Restoration of Service Charge**  
When water service has been discontinued on written order of the customer or for nonpayment of bills or for violation of these rules and service is again desired by the same customer, including seasonal customers, a charge of \$25.00 will be made.
9. **Arrears.** No agreement will be entered into by the Company with any applicant for water service until all arrears and charges due from the applicant for water service at any premises now or heretofore owned or occupied by him in the territory supplied by the Company shall have been paid.
10. **Deposits**
  - (10a) When required. A deposit equal to the estimated charge for two months' service at the rates provided for in the appropriate rate schedule may be required from applicants whose credit is not established with the Company, or from customers who are delinquent in payment of bills. Any bill remaining unpaid after 30 days from date rendered is considered delinquent.
  - (10b) Deposit retention for business customers will not exceed two years beyond the original year of non—delinquency in payment of bills rendered. Simple interest at the rate per annum as prescribed by the Commission shall be paid on such deposits. A customer will be considered to have established credit with the Company when no bill has been delinquent for one year, at the end of which period the deposit will be returned with interest. Where deposits are not refunded interest will be paid in cash or deducted from the amount of a bill for water service rendered to such depositor thereafter, but not later than the next bill rendered after the next succeeding first day of October and at each one year interval thereafter.
