GENERAL INFORMATION

VII. METERED SERVICE (cont'd.)

B. Meters, By Whom Furnished

The Company will furnish, install and maintain meters and meter couplings. The Company will maintain meters as stated insofar as ordinary wear and tear is concerned, but in case of damage by freezing, hot water or external damage, the customer will be held responsible for the cost of repairs. Under Service Classification No. 2, service will be supplied with 5/8" meters.

C. Setting and Removing Meters

Upon placing or replacing a meter in service unless the register is set at zero the Company shall securely attach a tag stamped with figures indicating the date and meter dial reading at time of setting. When removing a meter, the customer shall be given the reading and shall be given the opportunity to read the meter if he or she so desires.

D. Reading of Meters

Meters shall be accessible for inspection and reading by the Company's authorized representative, at any reasonable hour.

E. Right to Remove and Test Meters

The Company reserves the right to remove and test any meter at any time and to substitute another meter in its place.

F. Testing of Meters

The Company will test its meters periodically in accordance with the current rules of the Public Service Commission. In case of a disputed account involving the accuracy of a meter, the Company will test, upon the request of the customer. A fee payable in advance of the test is required, as follows:

1" meters or smaller	\$2.00
Over 1" to 3"	3.00
Over 3	5.00
