GENERAL INFORMATION

25. TERMINATION OF NON-RESIDENTIAL SERVICE: (CONT'D)

- B. Final Notice of Termination: (Cont'd)
 - (h) That at the time the Company goes to the premises to terminate service, it may require any payment to be made with cash, certified check, or money order if the Customer has, within the last twenty-four (24) months, paid with a check that was dishonored.
 - (2) A final notice of termination may contain any additional information not inconsistent with this section.
 - (3) A final notice of termination may not be issued or sent unless at least twenty (20) calendar days have elapsed from the date payment was due, or the date given in a written notice to cure a tariff violation, or as provided in Section 20.G.(3)(c) where the reason for the notice is the failure to provide access, except that a final notice of termination for non-payment may be issued or sent on or after the date payment was due in the following circumstances:
 - (a) When any portion of the charge that the Customer has failed to pay is for unmetered service that was being supplied through tampered equipment and for which an unmetered service bill in accordance with 16 NYCRR Part 13.11(e) has been rendered;
 - (b) When the charge that the Customer has failed to pay is the installment amount due in accordance with a deferred payment agreement; or
 - (c) When the Company has accepted a written waiver of the Customer's right not to be sent a termination notice in accordance with the provision of Section 13.B.(4)(b).
 - (4) A final notice of termination shall not be sent while a complaint is pending before the Company or the PSC for non-payment of the disputed charges or for any other reason that is the subject of the complaint as provided in 16 NYCRR Part 12.3. Nothing in this section bars the Company from sending such notice for non-payment of undisputed charges or for reasons not at issue in the complaint.
