SERVICE CLASSIFICATION NO. 4 (CONT'D)

NATURAL GAS MOTOR VEHICLES (CONT'D)

SPECIAL PROVISIONS: (CONT'D)

5. When on Company premises, the Customer must observe all applicable Company safety regulations. The maximum delivery pressure for the CNG will be clearly displayed at the refueling station.
6. Balanced Billing - not available to customers under this service classification.
7. The Company may, at its sole discretion, adjust the prices charged customers that are exempt from any vehicle fueling taxes. Such adjustments shall be made on a non-discriminatory basis, such that, any tax exempt customers within the same price area and price category receive the same tax adjustments.
8. Compressed Natural Gas (CNG) sold at Company-owned compressor stations shall be measured in pounds and converted to Ccf by multiplying the pounds by a factor of 0.2250.
9. For Category 1 customers, the operating costs of the compressor including electric charges, are the responsibility of the Customer.
