SERVICE CLASSIFICATION NO. 8**SPECIAL AGENCY SERVICE****APPLICABLE:**

Throughout the territory served under this Schedule.

CHARACTER OF SERVICE:

This service is available to any commercial or industrial customer provided:

- (A) Customer has executed a Transportation Service Agreement with the Company pursuant to PSC No. 88 Gas, or superseding issues thereof.
- (B) Customer has submitted an affidavit to the Company stating that gas obtained hereunder will be used as a replacement for alternate fuel.

Each month this program is in effect, the Company shall notify each participating customer of the price for quantities to be purchased by the Company as agent for the Customer during the following month. The stated price shall be based on the highest cost of the monthly spot market quantities purchased by the Company plus transportation charges paid to carriers other than the Company. On or before the twentieth (20th) day of each month, Customer shall nominate the quantity of gas it will purchase during the following month at the price indicated by the Company. Such nominations must be in writing and are effective until received by the Company. The Company will then use its best efforts to purchase such quantities of gas as agent for Customer, and Customer must take and pay for all quantities so purchased, up to the quantity Customer has nominated.

PRICE:

- (A) The charge for all quantities delivered under this service classification shall be the stated price for gas delivered to the Company plus an agency fee of \$.0500 per Dth (transportation by the Company will be billed separately under the Customer's applicable transportation service classification).
- (B) A Special Agency Service Rate Statement will be filed with the PSC no later than three (3) days before the effective date.
