SERVICE CLASSIFICATION NO. 7 (CONT'D)

Private Outdoor Lighting

TERMS, CONDITIONS, AND SPECIAL CONDITIONS (CONT'D):

- F. A two year minimum contract shall be agreed to and signed by each customer desiring Dusk-to-Dawn Lighting Service, authorizing fixed monthly charges to be applied to the monthly utilities bill. In the event that a customer desires the removal of the unit or discontinuance of the service of the remainder of the contract, the contract shall become due and payable.
- G. Dusk-to-Dawn Lighting shall be installed on wood poles with a normal ground to lamp height of approximately thirty (30) feet.
- H. The customer shall notify the Plattsburgh Municipal Lighting Department of any interruption to service of the Dusk-to-Dawn lighting. The Plattsburgh Municipal Lighting Department will restore service only during regularly scheduled working hours and shall, in any event, be under no obligation to do so until 72 hours from the time of notification. In the event the Plattsburgh Municipal Lighting Department is unable to effect repairs within this period, the Plattsburgh Municipal Lighting Department's only responsibility will be to abate the charges on a pro-rata basis for each day after such period in which service is not available. The customer shall remove any obstruction to the installation of the facilities; shall trim trees to improve the distribution of light; shall provide any permits or easements required for the installation and maintenance of the facilities; and shall permit access to the facilities by the Plattsburgh Municipal Lighting Department vehicles and personnel.
- I. Service under this Service Classification once canceled by the customer, shall be unavailable to said customer at the same premises for one year from the date of such cancellation.
