**(A) Firm Transportation - Continued**

- (1) If purchasing gas from a supplier other than the Company, the Customer must purchase gas from a Seller, and;
- (2) The Customer's Seller must submit a completed Con Edison Affidavit of Firm Transportation attesting that there is in place one or more executed transportation contract(s) with one or more interstate pipeline(s) for non-recallable firm transportation with primary delivery point capacity from the source of the gas supply to the Citygate dedicated to deliveries for the Customer's account for its full requirements for each winter season (November-March), provided however, that for the winter season commencing November 1, 1999 and ending March 31, 2000, the Customer's Seller will be permitted to instead submit a completed Con Edison Affidavit of Firm Transportation that there is in place one or more executed transportation contract(s) with one or more interstate pipeline(s) for non-recallable firm transportation with primary and/or secondary delivery point capacity from the source of the gas supply to Con Edison's Citygate dedicated to deliveries for the Customer's account for its full requirements for the 1999-2000 winter season.

All firm transportation must meet the Citygate delivery point allocations set forth in the Company's Sales and Transportation Operating Procedures. The Customer's Seller shall submit a new Con Edison Affidavit of Firm Transportation for all succeeding years of service attesting that it meets the above firm transportation requirements. The Company may, at its discretion, request documentation to support the information attested to in the Affidavit.
