SERVICE CLASSIFICATION NO. 7 (CONT'D)

ALTERNATE FUEL DISPLACEMENT SERVICE (CONT'D)

INCREASE IN PRICES APPLICABLE IN MUNICIPALITIES WHERE SERVICE IS SUPPLIED:

The prices and charges under this service classification, including the Minimum Charge, will be increased by a surcharge pursuant to General Information Section 37 of this Schedule to reflect the tax rates applicable within the municipality where the customer takes service.

GENERAL TERMS AND CONDITIONS:

All General Terms and Conditions governing Service Classification Nos. 1, 2, and 3 apply to this service classification and are hereby incorporated herein.

SPECIAL PROVISIONS:

(A) Separate Metering:

Gas delivered hereunder except oil burner pilot usage shall not be used interchangeably with gas supplied under any other service classification, and shall be separately metered; provided, however, that if both firm and Alternate Fuel Displacement Service are made to a customer at one (1) location, and if separate metering of the Alternate Fuel Displacement Service portion of such deliveries is not practicable, monthly firm and Alternate Fuel Displacement Service deliveries shall be determined by Customer's monthly affidavit as required in (D) of the Availability provision.

(B) Stand-By Facilities:

In all cases where continuous operation of the Customer's facilities is necessary, the Customer shall provide and maintain stand-by equipment, including fuel supply for operation thereof, in satisfactory operating condition and of sufficient capacity to permit full interruption of the interruptible gas supply.

(C) Meter Readings:

Meter readings shall be made monthly.
