SERVICE CLASSIFICATION NO. 10 (Cont'd.)

TERM:

The initial term and renewal options shall be as provided for in the service agreement.

In addition to all other remedies available to the Company, the Company reserves the right to discontinue service immediately, temporarily or permanently, to the customer or to the premises where there is a violation or any failure to comply with any of the provisions of this Service Classification, the Company's Sales and Transportation Operating Procedures, or this Rate Schedule.

TERMS OF PAYMENT:

Bills are due when rendered, subject to a late payment charge in accordance with the provisions of General Information Section 6.6 of this Schedule.

SPECIAL PROVISIONS:

(A) Metering

The unit of measurement shall be a cubic foot of gas at an absolute pressure of fourteen and seventy-three and one-hundredths pounds (14.73#) per square inch, a temperature of sixty degrees (60E) Fahrenheit and without adjustment for water vapor content. In determining the volume of gas delivered, the Average Absolute Atmospheric (Barometric) Pressure shall be assumed to be fourteen and four-tenths pounds (14.4#) to the square inch, irrespective of actual elevation or location of the delivery point above sea level or variations in actual barometric pressure from time to time.

(B) Alternate Fuels

The Supplemental Sales Charge is a rate per Mcf determined each month by the Company and is dependent on the type of alternate fuel used by the customer. Customers who do not have an alternate fuel and who have certified that they can and will discontinue use of Company service as requested shall be charged the Category C Supplemental Sales Charge.

(C) Customer Responsibilities

Customers must maintain operable alternate fuel equipment, adequate fuel storage capacity at the customer's location for use in such alternate fuel equipment and fuel supply that is adequate and replenished as necessary to enable the customer to operate satisfactorily such equipment without gas whenever and so long as service under this Service Classification is withdrawn. The customer must also maintain a dedicated customer-installed telephone line to enable the Company to obtain remote readings of the customer's meter.
