L. BILLING OF CUSTOMER (Cont'd)

Security for Combined Billing

If a Retail Supplier does not meet the Company's creditworthiness requirements as described in General Information, Section 35.0, Central Hudson will require the Retail Supplier who is issuing combined bills to post a security deposit equal to 45 days of Central Hudson's delivery charges. If a third party payment processor or "lockbox" arrangement is used, the security deposit will be equal to 22.5 days of Central Hudson's delivery charges.

If Central Hudson is issuing the combined bill, the charges billed to the Retail Supplier for billing will be guaranteed by the Retail Supplier's portion of the amount collected from the customers.

All deposits will accumulate interest at the applicable rate per annum as approved by the New York State Public Service Commission for Other Customer Capital.
