**(O) Special Meter Reading Fee**

Where a Customer or Marketer requests a special meter reading for an SC 9 Customer, the charge will be \$19.00 per Customer account per visit.

A special meter reading is a meter reading at the Customer's premises performed on a date that is different from the customer's regularly scheduled meter reading date, or an actual reading at an SC 9 Customer's premises on the regularly scheduled meter reading date in the event that the customer's phone line used for remote communications is not operational. Special meter readings must be scheduled two business days before the special meter reading date.

The fee will not be assessed on SC 9 customers whose phone lines are maintained by the Company.

**(P) Switching Fee**

A Customer who changes Marketers or returns to firm sales service will pay a \$10.00 charge per occurrence except for an involuntary switch or for the first voluntary switch from one Marketer to another during the twelve months following a Customer's initial enrollment under SC 9 transportation service.

An involuntary switch means a Customer's gas supply provider (i.e. a Marketer or the Company) is changed without the Customer's authorization. In a voluntary switch, the switch is made with the Customer's authorization.
