LOAD AGGREGATION (continued)

Discontinuance of Service

5. Upon the discontinuance of a Marketer, the Marketer shall remain responsible for payment or reimbursement of any and all sums owed under the Tariff or under any agreements between the Marketer and the Company. The Marketer shall also remain obligated to customers to the extent provided for in any contracts with them.
6. Upon receipt of a switch request from a subsequent Marketer following the discontinuance notice, the Company will verify the intended switch with the customer in accordance with this Service Classification.
7. If a more expeditious discontinuance process is judged to be needed in a specific situation, the Marketer may request such expedited treatment upon a showing of need to the PSC or DPS, who shall have the authority to grant such a request. The PSC or DPS may also, for good cause, initiate an expeditious discontinuance process on its own motion. The Company will also have standing in any such processes.
8. Sample copies of the notices to customers under this process shall be provided to the DPS for review at least 5 calendar days before the letters are sent to customers.
