 SERVICE CLASSIFICATION NO. 2 (CONT'D)

When the indicated demand for any Customer billed under Classification No. 3 is less than 20 kilowatts for twelve (12) consecutive months, said Customer shall be transferred from Classification No. 3 to Classification No. 2 until such time as the demand exceeds 20 kilowatts for three (3) consecutive months as provided for under LARGE USE PROVISION.

For any Customer where a demand meter is in service as of the effective date of these rates, the demand registered on said demand meter for the month immediately preceding shall determine the applicable rate for billing purposes.

TERM:

Customer may terminate service after three (3) days notice to the Village. In case service is resumed by Customer at the same location within the same billing period, service will be billed for the entire billing period without giving effect to the temporary suspension.

See also SPECIAL PROVISIONS.

SPECIAL PROVISIONS:

- A. Application for service may be oral unless the Village requests Customer to make written application by reason of added facilities required to serve Customer or other unusual conditions, excepting as herein otherwise provided.
- B. Whenever service is supplied from a line extension constructed in accordance with Rule (V) of the NYMPA generic tariff, and whenever such service is subject to a surcharge or minimum charge determined pursuant to these rules, Customer:
 1. Shall make written application for service upon the Village's prescribed forms.
