LOAD AGGREGATION (continued)

Marketer Gas Supply Billing

The Company shall provide the following billing options under the Supplier Select Program for Gas Supply Service (GSS) provided by Marketers:

1. **Two Bill Option:**

The Company shall perform the billing function for gas distribution service, whereby only Company specific charges will be displayed on the customer*s bill. The Marketer will directly bill the customer for its services only.

2. **One Bill Option:**

For Company specific charges the Company shall perform the billing function as set forth in Paragraph 1 above and the Company shall include the Marketer*s gas supply charges as a separately stated component of the customer*s bill subject to the following:

- a. The Marketer will be required to enter into a billing agreement with the Company that contains mutually acceptable terms and conditions governing the rights and obligations of the parties prior to the Company including Marketer GSS charges as a separately stated component of the bill. The Company reserves the right to include Marketer GSS Charges as a separately stated component of the bill for a fee.
 - b. The Company will provide the One Bill Option for customers serviced under Service Classification Nos. 5, 7, 8, 12, and 13. The Company will accept one GSS rate per Service Classification.
 - c. If the GSS rate changes, the Marketer will be responsible for forwarding the new rate to the Company ten (10) business days prior to the effective date of the change. The new rate will be used to calculate bills for any billing cycle after the Company*s receipt of the new rate. The Marketer may not change a GSS rate more than once per month.
 - d. The Company reserves the right of set-off as set forth in this Service Classification.
3. The selection of the billing option performed by the Company for each customer will be communicated to the Company by the Marketer.
4. The Company will only send the bill to the customer of record under either billing option specified in Paragraph 1 and 2 above.
