(2) Balancing Service Option or Functional Storage Service Option

Upon applying for firm transportation service under Service Classification No. 6, a customer must elect either the Balancing Service Option or Functional Storage Service Option.

(A) Balancing Service Option

The Balancing Service Option provides for a Seller to deliver gas to the Company on behalf of its customer based on the customer's average daily usage for the same month last year, weather normalized and restated on a calendar month basis, with the Company redelivering the gas to the customer on an as needed basis. A customer selecting the Balancing Service Option shall be required to pay the Balancing Fee as set forth in 2(D) below.
