**Small Customer Aggregation - Continued**

- (2) Complying with all requirements of the balancing service selected, including bearing responsibility for all applicable Imbalance, Minimum Delivery, and Cashout Charges, when serving a Small Customer Aggregation Group of Firm and/or Interruptible Customers.
- (3) If Seller fails to maintain the 50,000 therms threshold, the Company may terminate the Group status for the remaining Customers in the Group on 60 days' notice to Seller and all Customers in the Group (unless the Seller reattains the threshold before the expiration of the 60-day period). In addition, the Seller shall be financially responsible to the Company for the difference between actual revenues received from the Group for the transportation year and the amount of revenues the Company would have received if the threshold had been maintained. The Company may also disqualify the Seller from eligibility for Transportation Receipt Service for the failure to maintain the 50,000 therms threshold on two or more occasions.

**Charges and Credits**

The Company does not charge a rate for Transportation Receipt Service. Seller is subject to one or more of the applicable charges and credits, listed below. No charges shall be imposed if Seller's failure to deliver is caused by a force majeure on either the pipeline or the Company's facilities, or if the Company and the pipeline confirm Seller's daily nomination but the gas is not delivered due to the Company's actions in rescheduling Citygate deliveries of system supply and Customer-owned gas during the day. If the Company recalls capacity released to a Seller, for reasons other than non-performance, the Seller will not be liable for the deficiency imbalance charges for deliveries to Firm Customers in subsection (A) listed below to the extent it did not have available the capacity required to meet its customers' demands due to the Company's action.

Any of the following charges and credits described but not shown shall be set forth on a statement filed with the Commission. The Company will review imbalance charges periodically, and may adjust them to reflect changes in the Company's costs.
