**SERVICE CLASSIFICATION No. 7**  
**Interruptible Transportation Service (Continued)**  
**(Rate Codes: 710, 710A, 711, 720, 721)**

**Special Provisions (continued):**

- (j) Warranty of Title: Seller warrants that, at the time of delivery of gas to the Company, Seller or Customer will have good title to deliver all gas volumes made available.
- (k) Periodic Review of Distribution System Operating Constraints: The Company will review the operating constraints on its distribution system on a periodic basis. To the extent the Company finds, as a result of that review, that those constraints have changed, the Company will notify any affected Customers accordingly. If a DSRS Customer's location on the system has been upgraded, the Company will give the Customer the option of electing to receive service under one of the other categories in this service classification. If the location of any Customer receiving service under any of the other categories in this service classification has been downgraded to the point that the Customer's location is in a constrained area, the Company will immediately transfer the Customer to the DSRS category.

**Gas Delivery Nomination Procedures**

The Gas Delivery Nomination Procedures for all transportation Customers are described in the Company's Gas Transportation Operating Procedures Manual, Section IV and Section V, as filed with the Public Service Commission.

**Communications Protocols**

The Communications Protocols for all transportation customers are described in the Company's Gas Transportation Operating Procedures Manual, Section VII, as filed with the Public Service Commission.
