SERVICE CLASSIFICATION NO. 6**APPLICABLE TO USE OF SERVICE FOR:**

Firm transportation of customer-owned gas where the customer has a current fully executed contract with a Qualified Seller ("Seller") who has agreed to the terms and conditions of Service Classification No. 11 to purchase natural gas supplies and transport these supplies to interconnection points with the Company's distribution system from which the Company may receive and deliver, on a firm basis, these gas supplies to the customer.

The annual volume scheduled to be transported shall not be less than 3,500 Mcf for an individual customer or 5,000 Mcf for an aggregated group of customers served by a common Seller. Said usage level must have been maintained for each of the two twelve-month periods preceding application for service hereunder. For a customer, or customers in the case of an aggregated group, without two years of billing history, annual usage will be determined by the Company.

A customer is limited to one Seller of gas for each account for which the customer receives transportation service.

CHARACTER OF SERVICE:

Firm transportation of natural gas owned by a customer, which the customer has arranged to have transported to an interconnection point at the boundary of the Company's service area. Such gas will be delivered from that interconnection point to the customer's facility. The Company shall control the dispatch of such gas, and dispatch will be provided as requested by the customer.

RATE - FOUR PART - MONTHLY:

(1) Transportation Charge

Rate Schedule I: Applicable to:

- a) any customer that is a member of an aggregated group, or
- b) an individual customer whose annual usage is less than 5,000 Mcf.
