GENERAL INFORMATION

6. METERING AND BILLING

6.1 ACCESS TO CUSTOMER'S PREMISES

The Company's authorized employees or agents shall have free access, at all reasonable times, to its meters or other property, and to all the piping and equipment owned by the customer or anyone else, and installed on the customer's premises, for the purpose of inspecting or testing the same, to repair, change or remove any of the Company's property, or to read meters.

6.2 IDENTIFICATION OF EMPLOYEES

Company employees or agents authorized to enter upon its customers' premises are provided with photo-identification cards and written authorization which will be shown upon request. Customers are advised not to admit to their premises anyone claiming to represent the Company unless he can produce a proper identification card.

6.3 METERS

Gas supplied shall be measured by meters furnished, installed and maintained by the Company.

Service rendered through each meter installed shall be subject to a separate minimum charge and all rate provisions of the service classifications applicable shall be applied separately to the service supplied through each meter. The above shall not, however, apply where the Company, for purposes of testing or on account of the special character of the installation, desires to install more than one meter for measuring service supplied to a customer under one rate classification.

6.4 METER READING

(1) Residential

(A) The Company will endeavor to read all meters at regular intervals either monthly or bi-monthly, as specified according to the appropriate rate classification.
