Service Classification No. 13
Temperature-Controlled Transportation Service (continued)

Meter Information

On a daily basis, the Company shall make available to each Temperature-Controlled Transportation Marketer their TC pool consumption for the previous day. The Company shall also make available each customers consumption within that gas pool. If there is a Company failure of telemetering equipment, the Company will waive the penalty imbalance charge for the period (10-20%). If there is a customer failure of telecommunications associated with the telemetering equipment, the Marketer will incur the normal imbalance charges. If there is an inactive telephone line, the customer will have eight (8) weeks to remedy. In the event of any equipment malfunctions, the previous days actual read will be deemed to be the daily actual read until the situation is corrected. If the malfunction is due to customer reasons and is not remedied after eight (8) weeks, the Customer will be returned to the applicable sales service for a minimum of twelve (12) months. The Company shall not be liable for any inaccuracies in the consumption reported if they resulted from malfunctioning telemetering equipment, telephone line problems, customer failure to maintain equipment or any other reason outside the control of the Company.

Heating Value Adjustment:

The volume of gas registered by the customer's meter, in 100 cu. Ft. will be converted to therms as explained in Rule II.3G.

Increase in Rates and Charges:

The rates and charges under this service classification including minimum charges, are increased by the applicable percentage as explained in Section III.2 for service supplied within the municipality where the customer is taking service.

Terms of Payment:

The Customer shall pay the balance due in cash or its equivalent on receiving the bill, or be subject to late payment charge in accordance with provisions of Rule II.3E.2.

Term:

Service under this service classification shall be for twelve (12) months from the date service begins. The term will be extended for additional twelve (12) month periods unless otherwise terminated by the Customer providing thirty (30) days prior written notice to "KeySpan Energy Delivery". Service may be terminated by the Company in the manner provided by law and the Rules and Regulations set forth in this Service Classification.
