GENERAL INFORMATION

3. INCREASE IN PRICES AND CHARGES APPLICABLE WHERE SERVICE IS SUPPLIED: (CON'T)

Every such statement will be filed not less than fifteen (15) business day before the date on which the statement is proposed to be effective, and no sooner than the date when the tax enactment to which the statement responds; will become effective no sooner than the date when the tax enactment is filed with the Secretary of State; will be applicable to bills subject to the tax enactment that are rendered on or after the effective date of the statements; and will be canceled not more than five (5) business days after the tax enactment either ceases to be effective or is modified so as to reduce the tax rate.

Such statement will be duly filed with the PSC, apart from this Schedule, and will be readily accessible to the public.

4. DAILY METERED TRANSPORTATION REQUIREMENTS:

A. Service

Commencing October 19, 1984 and continuing thereafter until further order of the PSC, new gas Customers will be connected and increased gas will be supplied to existing Customers in accordance with Section 10 of PSC No. 90 Gas, or superseding issues thereof.

Except as otherwise specified in this Schedule, service provided hereunder is in accordance with the applicable provisions of PSC No. 90 Gas, or superseding issues thereof.

B. Incremental Facilities:

Customers shall be responsible for the acquisition of any property rights necessary to accommodate the construction and installation of facilities which may be required for the receipt, delivery or metering of natural gas delivered hereunder into the Company's pipeline system. The Company shall be reimbursed by the Customer for any costs incurred in the construction and installation of the required receipt or delivery facilities, including, but not limited to, the costs of labor, materials and customary overheads. Customers subject to balancing provisions under General Information Section 4 of this Schedule are required to install daily metering equipment. The Company will be reimbursed by the Customer for required metering and load management equipment at the Customer location. Information regarding metering options is set forth in the Gas Transportation Operating Procedures Manual.
