SERVICE CLASSIFICATION NO. 12 (Cont'd.)

CHARACTER OF SERVICE: (Cont'd.)

If Seller does not obtain capacity meeting the requirements set forth above, the Company shall provide firm sales service, if available, to Seller's customers commencing on November 1 and Seller shall be prohibited from serving such customers for a period of one year.

If a Seller fails to maintain the requisite firm, non-recallable, primary delivery point capacity, as stated in its affidavit, at any time throughout the winter season (November through March), Seller shall pay the Company charge equal to \$50.00 per dekatherm times the required daily volume of pipeline capacity that the Seller failed to maintain. The above-described charge is in addition to any charges that may be levied on Seller for its failure to deliver the required quantities of gas on any given day and any and all other remedies the Company may have in law or equity.

RATE:

Rates and charges pursuant to this Service Classification are as specified under "Functional Storage Service Option", and under Special Provisions A, C, and E.

DETERMINATION OF AGGREGATED DAILY CONTRACT QUANTITY:

An Aggregated Daily Contract Quantity ("ADCQ"), stated in dekatherms (Dth's), shall be calculated monthly for each Seller taking service hereunder. The ADCQ shall be equal to the sum of the DCQs ("Daily Contract Quantity") for all Balancing Service customers and Functional Storage Service customers in the Seller's Aggregation Group. The ADCQ represents the volume of gas the Seller is required to deliver to the Company's city gate each day.

A customer must elect either the Balancing Service Option or the Functional Storage Service Option for each customer account. A Seller must specify in the nomination procedures which customers within its Aggregation Group are to receive the Balancing Service and which customers are to receive the Functional Storage Service. A Seller must retain a customer in the Balancing Service Option, or Functional Storage Service Option aggregation group initially through March 31, and annually thereafter.
