For customers not participating in Service Classification No. 11, any over/under-deliveries will be subject to a monthly cashout in accordance with Rule 29 of this tariff. During any period in which the Company's ability to accommodate imbalances is restricted or impaired, Niagara Mohawk may, upon eight hours' advance notice, impose a Forced Balancing Operational Flow Order ("Forced Balancing OFO"). When a Forced Balancing OFO is imposed for under-deliveries, usage by customers for whom an aggregator is providing Pooled Balancing Service must not exceed deliveries by more than 2-50% as specified in the OFO. When a Forced Balancing OFO is imposed for over-deliveries, deliveries must not exceed usage by customers for whom the aggregator is providing Pooled Balancing Service by more than 2-50% as specified in the OFO. Customers will be assessed a penalty of \$2.50 per day, per therm for imbalances that exceed the OFO limit.
