N V NIAGARA MOHAWK

P.S.C. NO. 214 ELECTRICITY - S.C. NO.4 FORM "TS" - APPLICATION FOR SERVICE

BY AND BETWEEN NIAGARA MOHAWK POWER CORPORATION AND

(State or Municipality)

Date_____, 19___

The	of	County, New
York, (hereinafter called "	Customer"), pursuant to the attached authorization dated	
	, hereby applies to NIAGARA MOHAWK POWER	CORPORATION (hereinafter

called "Company"), to supply electrical energy to customer's electric traffic signal system along the streets, roads, highways and/or other public places in ______.

Upon acceptance by Company, this application shall constitute an agreement and contract for supplying electrical energy service in accordance with the terms and conditions set forth in Service Classification No. 4 of the Company's Schedule of P.S.C. No. 214 Electricity as now on file with the Public Service Commission of the State of New York, or in accordance with the same as from time to time changed or amended and made effective in accordance with the rules of the Commission. This agreement and contract shall be effective for an initial period of one year and from year to year thereafter until canceled at the end of any one year term by either party as provided in the service classification.

Customer shall pay for service based upon the rates and charges in effect for Service Classification No. 4 of P.S.C. No. 214 Electricity. Billing quantities utilized prior to customer obtaining service under this service classification will be used for the initial term of service under this service classification, except that customer shall provide Company with thirty (30) days written notice prior to the customer increasing or decreasing the size or number of traffic signal equipment. Customer shall then pay for service during the initial term of service in accordance with revised billing quantities computed by Company. After the initial term of service, billing quantities shall be determined as set forth in the "Determination of Billing Quantities" section of Service Classification No. 4 of P.S.C. No. 214 Electricity.
