SERVICE CLASSIFICATION NO. 4(Continued)
TRAFFIC CONTROL - UNMETERED SERVICE

SPECIAL PROVISIONS:

- A. Upon termination of service hereunder, the Company shall have the right within a reasonable time thereafter to remove all facilities placed, installed or used by it pursuant to the service hereunder. Upon making such removal, the Company shall leave the public streets and places affected thereby in the same or as good condition as they were immediately thereto.
- B. The customer shall furnish the Company with all easements or rights-of-way necessary to provide service to the desired location before any installation or construction will be started.
- C. As a condition of receiving service hereunder, the customer authorizes the Company, insofar as it lawfully may, to trim, cut, remove and to keep trimmed, cut and removed any trees and all other obstructions which, in the opinion of the Company, interfere with or may tend to interfere with the construction, operation and maintenance of the Company's service hereunder. Tree trimming required for traffic control visibility is the responsibility of the customer, and shall be done by the customer or at the customer's expense.
- D. Company is not responsible, by inspection, if any, or non-rejection, nor in any other way give warranty, expressed or implied, for the adequacy, safety or other characteristics of any structures, equipment or wires owned, installed or maintained by customer or leased by customer from third parties.
- E. Company shall not be liable for any injury, casualty or damage resulting in any way from the supply or use of electricity in customer's facilities or the rental use of Company facilities.
