TRAFFIC CONTROL - UNMETERED SERVICE

NIAGARA MOHAWK POWER CORPORATION  
FORM "TS" (CONTINUED)  
APPLICATION FOR SERVICE (CONTINUED)

Customer and its contractors shall secure compensation insurance and pay or provide the same in the manner and to the extent provided for by applicable provisions of the Workmen's Compensation Law for the benefit of its employees, having employments within the provisions of the law and engaged in the performance of the agreement, on account of injuries arising out of or in the course of their employments.

The Company shall not assign, transfer, convey, sublet or otherwise dispose of its agreement or its right, title or interest therein or its power to execute the same to any person or corporation without previous consent of customer, provided that a consolidation or merger in which Company participates shall not be deemed to be within the provisions of this paragraph.

All previous agreements and contracts between the parties or their predecessors covering all or a portion of the services provided herein shall terminate on the effective date of this application, except that the obligation of Customer to pay for service rendered under any such prior agreements and contracts shall survive.

G Check this box if declining metered application for the above mentioned location. It is understood that by checking this box, the Customer was given the opinion to meter this installation and elects to decline this option.
