SERVICE CLASSIFICATION NO. 10 (Cont'd)

PURCHASE OF ELECTRIC ENERGY AND CAPACITY FROM CUSTOMERS  
WITH QUALIFYING ON-SITE GENERATION FACILITIES (Cont'd)

TERMS OF PAYMENT

Bills are due when personally served or three days after mailing. Bills shall be subject to a late payment charge in accordance with General Information, Section 16, if payment is not made by the date specified on the bill which date shall not be less than 20 days from the due date.

TERM

One year from commencement of service hereunder and continuously thereafter until permanently cancelled by the Customer upon 90 days prior written notice to the Company. Cancellation by the Customer followed by resumption of service at the same location within one year shall not modify in any way the Determination of Contract Demand as above provided.

SPECIAL PROVISIONS

- A. As a precondition to interconnection with the Company's electric system, the Customer shall, at its expense, comply with the Company's requirements with respect to installation and operation of interface protection and disconnection equipment, all as fully set forth in a separate agreement which is subject to Commission review and arbitration should a dispute arise.

Where the Customer is taking service under another Service Classification, the Customer and Company shall agree as to the manner of payments for interconnection costs which exceed the costs ordinarily incurred in rendering the same Contract Demand under the applicable Service Classification. Upon the mutual agreement the Customer may select from the following payment options:

- (1) The Customer will furnish, own and operate all special equipment and the Company will maintain such equipment, in return for which the Customer, or its successors on the site, will pay a 0.75 percent monthly operating charge based upon the Customer's total investment in such interconnection equipment.
- (2) The Customer will furnish, own, operate and maintain all special equipment, provided that the equipment and maintenance are suitable for interconnected operations. Such equipment shall be made available for Company inspection as may reasonably be required.
