2. To the extent that any repackaged service provision contracted for contradicts the requirements of any other coincident service, then the repackaged service provision shall be the determinant service.
3. Company may, at its sole discretion, amend this pro forma Agreement and may amend its other pro forma or other Agreements, but only to the extent as may be necessary to fully effectuate the intent of the parties to this Agreement. To the extent Customer has already signed a Transportation Service Agreement or other pro forma Agreement covering services which will now be taken under this Agreement, the provisions of those Agreements are and shall be considered to be amended, but only during the term of this Agreement, to conform to the intent of the parties hereunder.
4. Customer agrees to sign the pro forma agreements that are included as a part of Company's tariff and that are applicable to the specific unbundled service(s) chosen by Customer and to sign such other agreements, including agency agreements, necessary to effectuate the intent of the parties to this Service Agreement for Repackaged Gas Services.
