SERVICE CLASSIFICATION NO. 12**REPACKAGED GAS SERVICE****APPLICABLE TO THE USE OF SERVICE FOR:**

New or existing customers who have executed a Repackaged Gas Service Agreement pursuant to this Schedule.

CHARACTER OF SERVICE:

The Company shall repackage, at the Customer's choice, any combination of unbundled services in a repackaged service portfolio. Such services can include, but are not limited to: gas supply, transportation, balancing, and energy management.

Service shall be provided in accordance with all the applicable service provisions of the individual services within the repackaged portfolio, and shall be specified within the Customer's Service Agreement.

PRICE:

Core: Not less than the sum of unbundled service prices.

Non-Core: The price for service shall be negotiable, but in no instance shall the price be less than the sum of the applicable prices for unbundled services and/or gas costs which underlie the Customer's Repackaged Service.

TERM:

The term of this service shall be as specified in the Customer's Repackaged Gas Service Agreement.

GENERAL TERMS AND CONDITIONS:

To the extent not inconsistent with the provisions of this service classification, service hereunder shall be in accordance with the general terms and conditions of service set forth in the General Information Section of this Schedule, and the provisions of the unbundled component services of the Repackaged Service. Where such inconsistency may exist, the provisions of this service classification shall govern.
