**NON-RESIDENTIAL FIRM AGGREGATION TRANSPORTATION SERVICE (CONT'D)**

**MINIMUM CHARGE:**

Shall be the Transportation Administration Charge, per meter.

**INCREASES IN PRICES AND CHARGES:**

The prices and charges under this service classification, including Minimum Charge, will be increased by a surcharge pursuant to General Information Section 3 of this Schedule to reflect the tax rates applicable within the municipality where the Customer takes service.

**TERMS OF PAYMENT:**

Billing and payment for service provided under this service classification shall be in accordance with General Information Section 5.F. of this Schedule.

**TERM:**

The term shall be as specified in the Service Agreement.

**GENERAL TERMS AND CONDITIONS OF SERVICE:**

To the extent not inconsistent with the provisions of this service classification, service hereunder is provided in accordance with the General Information Sections of this Schedule.

**SPECIAL PROVISIONS:**

- A. The quantity to be billed under this service classification is the metered quantity.
- B. Daily Metering and Balancing Provisions - Customers installing electronic telemetering shall be subject to daily balancing and will be reconciled as set forth in General Information Section 4 of this Schedule.
- C. Monthly Metering and Balancing provisions - Each month the Company shall direct aggregated pool operators to deliver the estimated average daily quantity of gas necessary to meet the daily requirements of the pool for the month. Such quantity may be revised during the month as required to match pool consumption. Revisions will be directed by OFO as provided in General Information Section 21 of this Schedule. Aggregated pools without daily recording meters shall pay a balancing surcharge as reflected on the Gas Transportation Rate (GTR) Statement. The city-gate balancing tolerance shall be plus or minus two percent (2%).
