**SERVICE CLASSIFICATION No. 11 - Continued**

To assist in reconciling quantities of gas received for transportation each month, the customer shall provide, or cause to be provided, to the Company a copy of the transporter's monthly invoice showing the thermal quantity of all gas delivered during the month to the Company for the customer's account as soon as such invoice is available to allow for billing by the Company. Absent receipt of such invoice the Company reserves the right to estimate the quantity of gas transported for billing purposes. Such estimate shall be made on the basis of available data, and any reconciliation to actual quantities delivered shall be made in the subsequent billing month.

If the total quantity of gas transported during each twelve month billing period after commencement of service hereunder, is equal to or greater than 5 MDT, the Company shall reconcile and refund all minimum charges paid in any month(s) in which the customer has taken less than the minimum monthly quantity of transportation service.

**Special Pricing Provisions:****I. Transportation Adjustment Charge:**

- (a) Rates TS-2, TS-4A, TS-4B, TS-6C, TS-6G, TS-6M: The charges for all quantities of gas transported shall be subject to monthly adjustment for interruptible profits as computed in accordance with the provisions contained in this Schedule for Gas Service.
