GENERAL INFORMATION

21. SUBMETERING OF GAS SERVICE: (CONT'D)

B. Commercial and Industrial Service: (Cont'd)

(3) Other Customer Protection Issues: (Cont'd)

(b) Meter Accuracy: (Cont'd)

Meter calibration must be assured. Submeterer must promise to calibrate meters any time they are installed or repaired or on an annual basis if requested by the submetered customer.

Submeterer shall guarantee that only meter models approved by the Company and the PSC shall be installed.

(c) End-User Notification Requirements:

Submeterer shall provide to the Company, on a timely basis, a listing of all submetered customers' names, addresses, phone numbers, and contact names to ensure that the Company can contact submetered customers in the event that the Company terminates service to submeterer. Submeterer shall update such list every time there is a change to any portion of the required information.

(4) Service Provider and Company Matters:

All applications for submetering service shall attempt to identify any specific or unusual issues related to service provision or Company impact. Inclusion or exclusion of any such matters shall not necessarily be considered the definitive authority on any issue. The Company maintains the right to intervene in any application affected by such issues.

(5) Application Procedures:

Customers desiring approval for the submetering of gas service to industrial or commercial tenants must submit a petition and application to the PSC that addresses all of the concerns discussed under Section 21 of this Schedule, and provides that the conditions proffered will be reiterated in leases with the submetered tenants. The petition and application must be served on the Gas Pricing Department of the Company and all affected tenants.
