SERVICE CLASSIFICATION NO. 6 (CONT'D)
Private Outdoor Lighting

SPECIAL PROVISIONS:

- A. The Village Board of Springville through its Electric Division of the Dept. of Public Works will furnish, install, own, operate and maintain a photoelectrically controlled mercury vapor luminaire or flood as specified in above "RATE".
- B. The lighting unit will be installed only on private property owned or leased by the customer. The customer will furnish the necessary pole or other support, where required, and the necessary wiring to connect the unit on the line side of the customer's meter. The Board reserves the right to require a location and mounting height which will provide proper light distribution from utilities is appropriately located, the Board may waive the requirement that the support for the bracket mounted luminaire be furnished by the customer, and may install the unit on the Utility owned pole.
- C. Upon request of the customer, the Village Board will change the location of the lighting unit, providing a proper support is furnished and the customer agrees to pay the Board for the cost incurred in making such change.
- D. Lighting service will be provided every night and all night during the hours between 30 minutes after sunset and 30 minutes before sunrise, aggregating about 4000 hours per year, unless prevented by accidents or other causes beyond the control of the Village Board
- E. The customer shall notify the Electric Division whenever the lamp shall become extinguished or out of service for any reason and the Electric Division shall replace the lamp and/or make the necessary repairs with reasonable promptness.
