SERVICE CLASSIFICATION No. 1BI - Continued

Special Provision:

- (a) A consumer has the option, with the consent of the Company, of paying for service taken under this classification for a limited period in equal monthly amounts based on the application of the rate to the estimated usage during the period. At the end of this period, or at the discontinuance of service if prior thereto, the consumer shall pay or be given credit for the difference between the amount paid and the charges for the actual usages under this rate. This payment or refund shall be made under such arrangements as may be agreed upon by the consumer and the Company and in accordance with Part 11, Subchapter B, Chapter I of 16NYCRR.

Additional Charge:

Customers whose use of gas exceeds the permissible quantities set forth in subparagraphs (c) and (d) of paragraph 29 on Leaf No. 56 will be subject to an additional charge of nine (9) times the charge indicated in the terminal (lowest) block including the Revenue Tax Surcharge. The imposition of such additional charge shall not limit any rights of the Company to terminate gas service provided for in this Schedule for Gas Service.

Charge for Late Payment:
