SERVICE CLASSIFICATION NO. 12**APPLICABLE TO USE OF SERVICE FOR:**

Qualified Sellers ("Sellers") of natural gas, or customers served by the Company acting on their own behalf as a Seller, who, without the use of interstate transportation released by the Company, transport the volume of natural gas specified by the Company to various pipeline delivery points that interconnect with the Company's distribution system, for receipt and redelivery of the transported volume by the Company on a firm basis to the firm transportation customer(s) pursuant to Service Classification No. 6. In order for a party to qualify as a Seller, it must execute an Application for Service, satisfy the Company's credit requirement as noted in Special Provision B, and meet the requirements specified under "Consumer Protection."

CHARACTER OF SERVICE:

Continuous receipt of Sellers' or customer-owned gas for subsequent delivery by the Company to customers taking service under Service Classification No. 6.

RATE:

Rates and charges pursuant to this Service Classification are as specified under "Functional Storage Service Option", and under Special Provisions A, D, and F.
