SERVICE CLASSIFICATION NO. 4**APPLICABLE TO USE OF SERVICE FOR:**

Interruptible transportation of gas for customers eligible to take service under Service Classification No. 8, subject to all of the terms and rate provisions established under that Classification, except that the Transportation Charge and Special Provision A shall be as provided for herein. The annual volume scheduled to be transported for any customer shall not be less than 5,000 Mcf. Service hereunder is available only to those customers being served prior to March 4, 1999 and only at the location of such service prior to March 4, 1999. No new service agreements will be executed after September 4, 1999.

RATE - TWO PART - MONTHLY:(1) Transportation Charge

The rate for the first 100 Mcf or less transported for a customer each month shall be \$150.00. The rates for all Mcf in excess of 100 Mcf per month shall be the average unit margin received from sales to the appropriate interruptible transportation customer category for the twelve-month period immediately preceding the month in which transportation service commences, but not more than the transportation charge applicable for the billing month to firm customers who do not reserve their entitlement to firm service.

The Transportation Charge shall include a take-or-pay surcharge as provided for in the Commission's Order dated March 29, 1989 in Case 88-G-062 as determined in accordance with the provisions of Service Classification No. 3 of this Schedule.

- (2) Rate parts (2) through (8) contained in Service Classification No. 8 are applicable.

TERM:

The term shall be as specified in a service agreement but not more than two years.

SPECIAL PROVISIONS:(A) Loss Allowance

The customer shall provide to the Company free of charge 4.89 percent of all gas delivered to the Company's boundary for delivery to customer as compensation for losses incurred by the Company in transporting customer's gas.
