2.2 DEFINITIONS

- (A) ACCESS CONTROLLER means a party known to the Company to be in control of access to the metering equipment of a customer, and to have an active account of his own with the Company.
- (B) ADJUSTED GAS REVENUE means the revenue realized from the applicable service classification rates and charges, minus revenues realized from revenue tax surcharges, the minimum charge and the cost of gas.
- (C) BILLING DATE means the calendar date on which the bill is physically prepared, which date is displayed on summary portion of the customer's bill.
- (D) COMMISSION means the State of New York Public Service Commission.
- (E) COMPANY means Orange and Rockland Utilities, Inc.
- (F) CUSTOMER means a present customer of, or an applicant for, the Company's service.
- (G) DIRECT CUSTOMER means a customer with an annual gas consumption of 3,500 Mcf or greater that acts without a Seller to obtain gas supply, for its own consumption and not for resale, under the Company's Gas Transportation Program. A Direct Customer may aggregate and schedule gas supply for itself and other Direct Customers, each of which would continue to be responsible individually for meeting requirements placed on Direct Customers. The terms "Qualified Seller" or "Seller", when used in this Schedule, include a Direct Customer, which has the same rights and obligations as a Qualified Seller or Seller but is not subject to Commission oversight with respect to eligibility.
- (H) GAS SUPPLY means natural gas required to meet customers' needs, including gas supply, interstate pipeline transportation, storage, losses and any other services required to transport such gas to the Company's system boundary, for subsequent delivery by the Company to its customers.
- (I) GAS TRANSPORTATION means a process whereby customers may purchase gas supply from Qualified Sellers and have it delivered using the Company's gas distribution system.
