SERVICE CLASSIFICATION NO. 2 (CONT'D)

INTERRUPTIBLE TRANSPORTATION SERVICE (CONT'D)

SPECIAL PROVISIONS: (CONT'D)

- B. The quantity to be billed under this service classification is the quantity delivered to the Company less the allowance for losses, in accordance with General Information Section 4.E. of this Schedule.
- C. Daily imbalances, underruns and overruns under this service classification will be calculated and reconciled as set forth in General Information Section 4 of this Schedule.
- D. A Transportation Service Agreement shall be signed by both parties in the form set forth in General Information Section 13 of this Schedule.
- E. The quantity billed under this service classification for Interruptible Transportation Service will be credited towards the minimum provision under the otherwise applicable interruptible sales schedule. Any deficiency will be billed at the price as set forth on the Interruptible Gas Transportation Rate Statement.
- F. The Company reserves the right to inspect the Customer's alternate fuel facilities in accordance with General Information Section 4.O. of this Schedule.
- G. The Company may, at its sole discretion, adjust the prices charged customers that are exempt from the Petroleum Business Tax (PBT), imposed by Article 13-A of the New York State Tax Law. Such adjustments shall be made on a non-discriminatory basis, such that, PBT-exempt customers within the same rate area and rate category receive the same PBT adjustment.
- H. At the conclusion of the term of Agreement hereunder, except the initial term, the Customer may pay for any deficiency in deliveries from the minimum eligible quantity, at the Customer's applicable price for the last month of the term, and remain eligible for service under this service classification. Such initial term shall be two (2) years.
