SERVICE CLASSIFICATION No. 14 - Continued

2. The Company reserves the right to accept an application under this service classification only after it has determined that the customer's vehicles and the equipment necessary for the vehicles to be powered by compressed natural gas meet Company requirements as to safe design, construction and installation. In order to gain access to compressor stations on Company premises the customer will be required to show Company issued identification. When on Company premises, the customer must observe all applicable Company safety regulations.
3. Customers served under Rate 1 are those customers who received service prior to May 13, 1991. This rate is not available to new customers at any location as of May 13, 1991.

Charge for Late Payment:

The Company shall levy a late payment charge at the rate of one and one half percent (1½%) per month against the outstanding balance of all delinquent accounts under this service classification for all customers except state agencies. Service to state agencies will be rendered in accordance with the provisions of Article XI-A of the State Finance Law (Chapter 153 of the laws of 1984, effective July 1, 1984).
