SERVICE CLASSIFICATION No. 17 - Continued

- (o) Notwithstanding anything else herein, any charges for which Seller is responsible under Service Classification No. 19 shall not be Customer's responsibility under this Service Classification No. 17. In the event of any conflict between the terms and conditions of this Service Classification No. 17 and the terms and conditions of Service Classification No. 19, the terms and conditions of Service Classification No. 19 shall govern.

OPERATIONAL FLOW ORDERS

The Company shall have the right to issue Operation Flow Orders (OFOs) in order to maintain system integrity or to ensure Company's continued ability to provide service to its firm customers. In addition to the OFOs specifically listed below, the Company shall have the right to issue any other OFO reasonably intended to serve the above stated purpose. The Company may issue any of the following OFOs:

- (1) In the event that additional gas supplies are required, Company may require Customer to fully utilize upstream capacity that it received from Company through capacity release.
- (2) Company may require Customer to deliver gas supplies either to Company's city gate or to any upstream point of delivery available under the agreement with a Transporter that the Customer obtained from the Company through capacity release.
- (3) Company may issue any other OFO reasonably required to maintain system integrity or to ensure Company's continued ability to provide service to its firm customers.

CHARGE FOR LATE PAYMENT:

Pursuant to the provisions contained in General Information No. 41.
