**SERVICE CLASSIFICATION No. 17 - Continued**

- (d) The Customer shall use its best efforts to keep the hourly quantities delivered to the Company for the Customer's account, adjusted for system use and losses, equal to the Customer's ADDQ, divided by 24.
- (e) Upon termination of service hereunder, the Customer may apply as a new applicant for and receive gas service under the appropriate sales Service Classification as contained in this Schedule for Gas Service, pursuant to the conditions for gas service contained therein.
- (f) All gas transported to the Company's point(s) of receipt for the Customer's account shall conform to all of the quality specifications set forth in 16NYCRR Part 229. The Company shall notify the Customer of any deficiencies in such quality specifications and may, at its option, refuse to accept delivery pending correction by the Customer.
- (g) Except as specified above, or in the Customer's CTS Service Agreement, all provisions of the sales Service Classification that would otherwise apply to services to the Customer are specifically incorporated herein and shall apply to the transportation, swing and standby gas services provided hereunder.
- (h) The Company, based upon the Customer's historical load profile and/or estimates of consumption, shall determine the Customer's annualized load profile under normal conditions. Based upon this load profile, the Company will determine the Customer's MDDQ and ADDQ.
