Gas service under this Service Classification is subject to interruption in accordance with General Rule III 14 and the Company's Sales and Transportation Operating Procedures. Service may also be interrupted for all or a portion of a day if necessary for the Company to perform work on its facilities. In addition to all other remedies available to the Company, the Company reserves the right to discontinue service immediately, temporarily or permanently, to the Customer or to the premises where there is a violation or any failure to comply with any of the provisions of this Service Classification, the Company's Sales and Transportation Operating Procedures, or this Rate Schedule.

The Customer shall immediately notify the Company of any condition that would prevent the required interruption of gas service, take immediate action to correct such condition, and notify the Company when such condition has been corrected. Except as otherwise provided in the Company's Sales and Transportation Operating Procedures, such notification shall not exempt the Customer from any applicable Charges for Unauthorized Use.

The Customer shall permit Company representatives access to the Customer's premises at any time without prior notice to inspect the Customer's facilities and equipment to:

- (1) determine whether the Customer is using gas during a service interruption or;
- (2) verify the accuracy of the meter or the condition of the temperature sensing devices, remote monitoring equipment, or alternate fuel or alternate energy equipment.

This inspection shall not satisfy the Customer's obligation to notify the Company of any condition that would prevent the required interruption of gas service and shall not exempt the Customer from any applicable Charges for Unauthorized Use.
