SERVICE CLASSIFICATION NO. 14
GAS TRANSPORTATION SERVICE FOR DUAL FUEL ELECTRIC GENERATORS

Special Provisions (continued)

I. Pressure and Quality

1. Pressure and Quality Specifications

All gas tendered or caused to be tendered by Customer to Niagara Mohawk for transportation under this Service Classification will meet the pressure and quality specifications contained in the Tariff. In the event such gas does not meet any of those specifications, Niagara Mohawk is entitled to reject such gas and refuse to perform any further transportation services under this Service Classification until Customer*s gas meets all such specifications.

In cases where the Customer desires delivery pressure above existing tariff levels, the Company shall include in the Service Agreement or as a component of the contribution in aid of construction the recovery of the costs for these incremental facilities and incremental operating expenses.

2. Liability for Pressure and Quality

As between Customer and Niagara Mohawk, Customer will be solely responsible and liable for any charges, penalties, costs or expenses incurred or payable by either party for Customer*s failure to provide gas that conforms to the pressure and quality requirements of Special Provision I, Section 1 above.
