GENERAL INFORMATION**III. Adjustments of Rates and Charges (continued):**

3--Applicable to Interruptible, Natural Gas Vehicle and Temperature-Controlled Service (continued):

C. Statement of Rates and Charges for Temperature-Controlled Service.

- .1 Filing and Other Conditions: The Statement of Rates and Charges for Temperature Controlled Service shall commence with meter readings taken on and after the effective date of the Statement issued for the calendar month following the computation date and shall continue in effect until changed. A Statement will be filed with the Public Service Commission apart from this rate schedule three days prior to any change in the Statement of Rate. The Effective Rate may be revised at any time during the month as deemed appropriate by the Company. Where Customers are given at least 24 hours notice of such change, the level of the rate will be shown on a Statement filed with the Public Service Commission.
- .2 Effective Rate: The Effective Rate per therm applicable to Service Classification No. 12 shall be established at the discretion of the Company but is not to exceed the Maximum Price or be lower than the Minimum Price.
- .3 Maximum Price:
 - .3.1 The maximum price applicable to Service Classification No. 12 is the lesser of 115% of the New York Harbor price of No. 2 fuel oil or the appropriate end use terminal rate for Service Classification Nos. 2 and 3, including the average monthly cost of gas assigned to S.C. No. 12.
- .4 Minimum Price:
 - .4.1 The minimum price applicable to Service Classification No. 12 is the sum of the average commodity cost of gas as defined under III.1.E, a capacity cost of \$0.01/therm and an additional \$0.01/therm.
- .5 Temperature-Controlled Transportation: The Temperature-Controlled Transportation Service Rate applicable to all contracts signed during the calendar month shall be determined monthly at the discretion of the Company, equivalent to the effective for S.C. No. 12, less the cost of gas assigned to that Service.
