SERVICE CLASSIFICATION No. 13
Temperature-Controlled Transportation Service (Continued)
(Rate Codes: 730, 731, 732)

Definitions (continued):

2. Customer notification requirement: The Customer or Supplier shall provide the Company, in writing, with
 - a. Its natural gas schedule for delivery at the city gate, and
 - b. The interstate pipeline used to deliver the gas.
 - 1) The information in a. and b. above shall be provided by the first business day following the 14th day of each month, and
 - 2) Is for the succeeding month.
 - c. Modifications to the scheduled nomination prior to twenty-four (24) hours before 8:00 AM EDT of the new gas day.
3. Company's Obligations: The Company
 - a. Will deliver to the Customer, its Maximum Hourly Quantity during any hour unless capacity constraints on its system prevents such delivery;
 - b. May not accept the Customer's nominations to the Company's city gate if the Company has interrupted service to the Customer's facilities;
 - c. Is not obligated to accept the Customer's nominations to the Company's city gate to the extent that such nominations exceed a Customer's MDQ.
 - 1) In the event the Customer tenders quantities in excess of the MDQ, the Company may, in its sole discretion, transport such excess volumes if sufficient capacity is available on the Company's system.
