Service Classification No. 13
Temperature-Controlled Transportation Service (continued)
(Rate Codes: 730, 731, 732)

Special Provisions (continued):

7. Termination of Service: The Company reserves the right to terminate service to a customer if a customer:
 - a. fails, for any reason whatsoever, to interrupt service upon written or oral notice from the Company, or
 - b. suffers or allows gas to be consumed in violation of interruption provisions of this service, or
 - c. in the case of human needs customers, fails to maintain the dual-fuel equipment and associated control devices in proper working order, or
 - d. interferes in any manner with the operation of such control devices, or
 - e. interferes with or hinders in any manner, the Company's rights to access, metering and inspection, or
 - f. fails to maintain the operation of all telephone lines used in the remote reading of telemetering equipment, or
 - g. otherwise violates any provision of this service classification.
8. Additional Charges to Customers:
 - a. For gas consumed during an interruption period without expressed written authorization of the Company, the Company will impose an additional charge of \$2.50 per therm for the unauthorized gas.
 - b. If the Company is unable to determine the precise amount of unauthorized gas taken during the period of interruption from the remote reading device, the Company will estimate the amount of gas used during the unauthorized period. The method of estimation shall be based on either:
 - 1) the normal average daily consumption, and if applicable, adjusted for degree days, or
 - 2) other reasonable methods.
