GENERAL INFORMATION - Continued

III. General Rules, Regulations, Terms and Conditions under Which Gas Service Will Be Supplied, Applicable to and Made a Part of All Agreements for Gas Service - Continued

4. Installation of Service Pipes - Continued

(D) Excess Distribution Facilities (Applicable only to Customers supplied under Service Classification Nos. 1, 2, 3 and 9) - Continued

- (2) such facilities will conform with the Company's practices as to construction and installation of distribution facilities; and
- (3) the utilization of service by the Customer through such facilities will not constitute a present or potential cause of interference with the supply of service to other Customers. The provision of excess facilities hereunder shall be subject in all respects to the limitations upon characteristics of service elsewhere set forth in this Rate Schedule, and shall be subject to the other provisions of this Rate Schedule, except as may be expressly provided in this paragraph.

5. Service Equipment

(A) Company's Installation:

Gas will be supplied to each building or premises through a single meter, except where, for reasons of Company economy, conditions on the Company's distribution system, improvement of service conditions, or volume of the Customer's requirements, the Company elects to install more than one meter. Where a separate meter is installed in connection with the provision of excess distribution facilities, the quantity of gas registered by such meter will be computed separately and billed in accordance with General Rule III 8 (J) (1) "Plural Meters - Billing of Charges".

The Company will furnish, install, connect and maintain such meters and remote registers, as are necessary for metering gas for Company billing purposes.
