be obligated to sell to the Company, at the Company's sole option, gas supply and/or capacity that the Seller would otherwise use to serve the Customer, on any day or days during the remaining term of the contract between the Seller and the Customer, at the lower of the average cost of gas to Firm Customers for the delivery month, as defined on Leaf No. 156.0, or the price that the Customer would otherwise have paid Seller for such gas supply and/or capacity on such day or days.

(I) Company's Sales and Transportation Operating Procedures:

Service provided under this Service Classification shall be subject to the requirements set forth in the Con Edison Sales and Transportation Operating Procedures ("Operating Procedures"), as the same may be amended, modified, or superseded from time to time. Changes to the Operating Procedures shall become effective on the first day of the second calendar month following their submission to the Staff of the Commission. In the event of a conflict between the Operating Procedures and the Rate Schedule, the Rate Schedule shall govern.

A copy of the Company's Sales and Transportation Operating Procedures is available through the Con Edison Gas Internet Bulletin Board or other electronic format provided by Con Edison. The Company will provide a copy of the Operating Procedures, and proposed revisions, to any Seller upon request.
