- (1) 8.0 cents per therm for a one-year term of service,
- (2) 7.5 cents per therm for a two-year term of service, or
- (3) 7.0 cents per therm for a three-year term of service.

The applicable rate shall be reduced by 1.0 cent per therm for monthly usage in excess of 500,000 therms.

The Customer and the Company may agree upon a rate equal to or greater than 7.0 cents per therm for a term greater than three years, which, subject to the agreement of the parties, may or may not be subject to a 1.0 cent per therm reduction for usage in excess of 500,000 therms.

The pipeline fixed charge component and the local distribution charge may be discounted, at the sole discretion of the Company. During the months of April through October, pipeline fixed charges shall be discounted before the local distribution charge. During the months of November through March, the local distribution charge shall be discounted before the pipeline fixed charges.

If a Customer fails to provide the Company written notice of intent to continue Off-Peak Firm Service for a two or three-year term or continue service under a different service classification, and service continues beyond the Primary term elected by the Customer, the Company shall charge the local distribution charge applicable to a one-year Primary Term for each successive one-year term until the Customer elects a different term.
