| For excess over | 3,000 therms .....       | 65.67 cents per therm |

**Minimum Charge (per month)**

\$11.84, exclusive of gas adjustment and increase in rates and charges, except for Customers with dual-fuel facilities that are subject to the minimum charge set forth below.

**Minimum Charge Applicable to Large Dual-Fuel Customers (per month)****(1) Minimum Charge:**

A dual-fuel Customer whose actual annual consumption for the 12-month period ending on September 30, 1985, or whose Annual Allocation as of September 30, 1985, or whose actual annual use for any 12-month period ending September 30 for the period September 30, 1985 through September 30, 1991, was equal to or greater than 103,300 therms is subject to a monthly minimum charge determined in the manner set forth below. A dual-fuel Customer that is not subject to the dual-fuel minimum charge based on the Customer's status as of September 30, 1985, but whose actual annual use is equal to or exceeds 100,000 therms in any subsequent 12-month period ending September 30, will have its Annual Allocation increased to the level of the Customer's actual consumption for that period and will be subject to the minimum charge for dual-fuel Customers beginning with the Customer's first bill for service taken entirely after the following October 31st. The Customer's Annual Allocation is the Customer's estimated annual gas requirements on record with the Company.
